SUMMARY

An undergraduate student at Wahid Hasyim University, Semarang, majoring in International Relations. I possess strong design skills, including creating designs for social media, book layout, cover design, banners, etc. Additionally, I have a strong desire to explore new fields, even if they are not directly related to my major, such as environmental issues, digitalization, technology, or another contemporary issues. In my 5th semester, I am an awardee of the Student Exchange Inbound Udayana University 2023 (PMM3). I am also fast learner person, highly adaptable and can work effectively both independently and in a team.
